Fukujin Kisen ESG Program

“Kuroshio Smile Activity”

~School Supplies for Filipino students~

We sincerely appreciate your continued support. Following last year's initiative, we are pleased to report on our “Kuroshio Smile Activity,” a school supplies donation program implemented in the Philippines.

This activity is part of our SDGs initiative, “Charity for the Countries that Provide Our Seafarers”, and marks its third consecutive year.

The “Kuroshio Smile Activity” aims to express our gratitude to our Filipino seafarers working on our managed vessels, while also improving the educational environment for schools and students in their residential areas and hometowns where support is often lacking. This year, we visited the following three elementary schools, with our company executives also participating in the visit to Tungkay Elementary School.

Summary of Activities

- **Date:** December 10 and 11, 2025
- **Place:** Cebu islands, Philippines
 - Tungkay Elementary School
 - Upper Campo 8 Elementary School
 - Makatol Elementary School
- **Contents to be provided:**
 - Stationery Set (Pens, Pencils, Erasers, Crayons, etc.)
 - Electric Fan
 - Water Dispenser
 - Printer
 - Raincoat
 - Backpack
 - Hand Fan
 - Donated Items from Our Stakeholders
- **Beneficiary:** Approximately 550 students in total

The above three schools were introduced to us by the families of seafarers working in our company.

This year, Cebu Island experienced severe flooding and numerous landslides due to a magnitude 6.9 earthquake on September 30th and the landfall of Typhoon Kalmaegi (Typhoon No. 25). During our visit, we could see evidence of damaged houses and landslides everywhere.

Despite the busy recovery efforts, we received a heartwarming and enthusiastic welcome that day. Witnessing the pure smiles of the students when they received the donated items deeply moved us. Furthermore, continuing from last year, our partner manning companies and seafarers on leave in the area actively supported the activities by transporting the donated items and arranging vehicles, allowing us to further strengthen our solid relationship of trust with them. We truly feel that it is only through the tremendous efforts of the seafarers that we can continue this activity.

We would like to express our heartfelt gratitude to all the companies that provided school supplies and other materials for this activity. Thanks to your warm support, the local students were able to obtain the necessary tools and create a better learning environment. Once again, we extend our deepest appreciation.

Moving forward, we intend to continue the “Kuroshio Smile Activity” alongside our crew members, further contributing to the Philippine community while fostering an environment where those working at Fukujin Kisen can take pride in their work. We sincerely ask for your continued understanding and cooperation.

FJL CREW NEWS

KUROSHIO SMILE ACTIVITY IN CEBU!

10, 11
DEC
2025

Thanks to all of you, FJL were able to successfully hold Kuroshio Smile activities again for 3 elementary schools in Cebu area in this December. FJL could provide School supplies, raincoats and some necessary items for about 550 students as part of its "Charity Program for Countries that Provide our FJL Seafarers", one of its SDGs activities. Chairman Seno san and Senior Managing Executive Officer Capt. Shinohara san also joined in the activity, and were able to directly hand-wrap school supplies for the students.

This year, Cebu islands experienced flooding and landslides in many areas due to earthquakes and typhoons. Despite the busy recovery efforts, we deeply appreciate everyone who helped sort school supplies and provided vehicles. We truly feel that their dedication made this success possible. "Kuroshio Smile Activity" aims to raise awareness of the regions where our seafarers come from and to support the educational environment for needy children in those regions as a token of our appreciation for the seafarers who work on FJL managed vessels. FJL will continue these activities and strive to ensure everyone working at FJL can take pride in their work. Thank you very much!!!

PLEASE KINDLY SHARE THIS CREW NEWS TO YOUR FAMILIES AND FRIENDS!

Thank you!
Merry Christmas!
